

LESSON FEES AND PAYMENT POLICIES

Tackfully Teamed Riding Academy's therapeutic riding lessons are taught by Professional Association of Therapeutic Horsemanship International (PATH Intl.) Registered Riding Instructors. Each lesson session lasts approximately one hour and is typically held once per week.

Therapy fees are **\$160.00 per month**. This fee helps cover ongoing operational expenses, including horse care and instructor costs. These expenses remain the same even if a rider is unable to attend a scheduled lesson; therefore, **all fees are nonrefundable**.

Full monthly tuition is due **at the beginning of each month**. Weekly payments are not accepted. Payment by check is preferred; please make checks payable to **Tackfully Teamed** and include the participant's name in the memo line. Payments may be placed in the drop basket located beside the restroom door at the barn or mailed to us. Please note that we are unable to bill Medicaid.

In the event of rain, strong winds, or extreme temperatures, lessons will transition to groundwork or art-based activities rather than being canceled.

If a registered participant chooses to discontinue lessons, Tackfully Teamed must be notified by phone or mail. No refunds will be issued.
